Education

B V Raju Institute of Technology
Bachelor of Technology (Computer Science and Engineering)
CGPA: **9.04/10** Expected Graduation: 2028

Technical Skills

Languages: C++, Java, Python, JavaScript
Frontend: React.js, Next.js, HTML5, CSS3
Backend: Node.js, Express.js
Databases: MongoDB, MySQL
Core: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks
Tools: Git, GitHub, VS Code, REST APIs

Projects

Movies Application
React.js, JavaScript, TMDB API, CSS

- Developed a responsive movie discovery application using the TMDB API to browse trending, popular, and top-rated movies.
- Integrated search and filtering functionality with dynamic API requests for real-time movie information.
- Designed an intuitive user interface with responsive layouts and optimized rendering for an improved user experience.

Incredible India – Smart Tourist Assistance Application
Next.js, React.js, Node.js, Express.js, MongoDB

- Architected a full-stack tourism assistance platform to help users explore destinations and plan trips.
- Structured a modular application using the MERN stack to improve maintainability and scalability.
- Optimized backend services and database interactions to deliver faster application performance.

Social Media Application
React.js, Node.js, Express.js, MongoDB

- Engineered a full-stack social media platform enabling users to create, edit, and manage posts.
- Integrated RESTful APIs with MongoDB to ensure efficient and reliable data storage.
- Developed a responsive user interface using React.js to deliver a seamless user experience across devices.

Coding Achievements

- Solved **600+** algorithmic problems on LeetCode, covering topics including Trees, Graphs, Dynamic Programming, Greedy Algorithms, and Sliding Window.
- Maintained a **9.04/10 CGPA** while actively developing full-stack web applications and strengthening problem-solving skills.
- Applied Data Structures and Algorithms to optimize solutions for coding challenges and personal software projects.

Certifications

- **The Complete Full-Stack Web Development Bootcamp** – Udemy
